SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region know as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

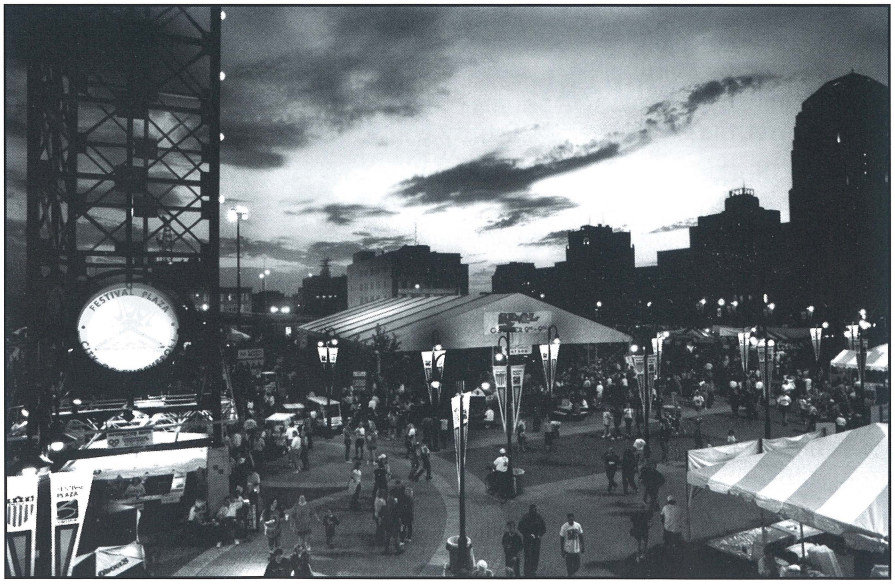
One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Mainstay Independence Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.



Festival Plaza near Downtown Shreveport, where many gatherings are held throughout the year, such as the Mudbug Madness Festival and the Red River Revel.

THE COLLEGE

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

MAGALE LIBRARY

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty holds the highest degree in their discipline. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

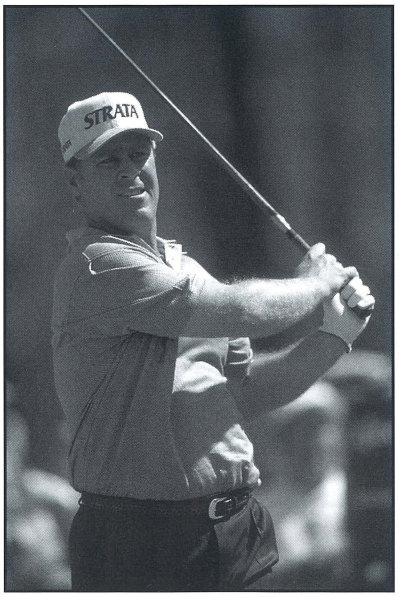
Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 43 seasons with a .500 or better winning percentage, including the 2001-2002 campaign.



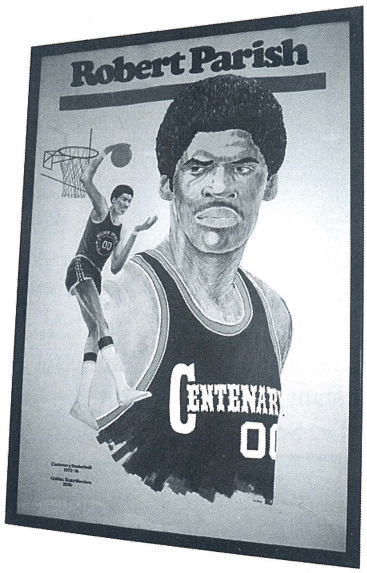
Hal Sutton '81

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, and Kansas at Shehee Stadium, with Michigan State, Alabama, and San Jose State among those teams scheduled to visit Shreveport in 2003.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown



Robert Parish '76

led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 30 in assists and the top 50 in scoring during the 2001-2002 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 18 intercollegiate sports, more than any other Division I program in Northern Louisiana. The gymnastics team consistently qualifies for the USAG National Championships, the women's soccer team has won over 65 percent of their matches in the 10-year history of the program, and, most importantly, Centenary's athletes graduate, ready for the real world in whatever field they choose.

ADMINISTRATION

DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, an award-winning educator with a keen interest in leadership and strategic planning, was named Centenary College's 34th President, August 7, 1991.

His efforts to maintain Centenary's reputation as one of the premier liberal arts colleges in the nation has resulted in enhanced student life and increased academic quality during his tenure.

Dr. Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration (1988-91) after serving as Executive Assistant to the President for Institutional Planning (1986-88).

From 1970-1986, Dr. Schwab held administrative positions at Guilford College in Greensboro, NC. He was the Assistant Dean of Students and Director of Residential Operations (1970-74), Dean of Students (1974-80) and Assistant to the President for Institutional Planning and Community Relations (1980-86).

Dr. Schwab holds a doctor of education degree (1978) from Indiana University, master of education degree (1972) from the University of North Carolina-Greensboro and a bachelor of science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior.

Dr. Schwab and his wife, Patricia, who also has a doctorate in education, are the parents of three sons: Kempten, Carlton, and Christopher.

DR. DAVID BEDARD
Director of Athletics

Dr. David Bedard has served as the athletic director for Centenary College since 1999. In his time at the helm, the college has seen significant improvements in athletic facilities and relations between the athletics department and the public.

Even though he was somewhat new to the AD position when taking over, Bedard was a familiar face in the athletic offices of Centenary, having been a professor in the health and exercise science department for more than 18 years. He begins his fourth year as the athletic director with a lot of things on his plate, foremost being to move the athletic department into a conference in Division I of the NCAA.

In the time that Bedard has been AD, Centenary has added a new baseball facility (W. Peyton Shehee Stadium), new scorer's tables and chairs for the basketball and volleyball teams, grandstand seating for the softball team, lights for the soccer field, and a concession stand for baseball, softball, and soccer.

In addition to the improvements for the athletic teams, there have been some major renovations that have improved the entire athletic department. These upgrades include a new Gold Dome roof, the creation of a new Ladies and Gents Club reception area, and the new Wilhite Media Room.

Bedard understands and can empathize with the student-athletes and coaches under his administration, having been both a student-athlete and a coach at Northwestern State University in Natchitoches, La. He was a three-time All-American gymnast and a gymnastics coach before moving on to get his doctorate in college teaching of health and physical education from Texas A&M University in Commerce.

Bedard is married to the former Carol Grant. They have two children: Emily and Julie.

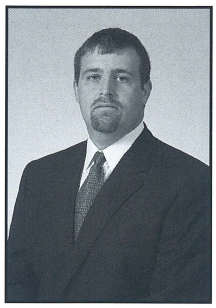
SPORTS MEDICINE



Head Athletic Trainer
Alan Edwards

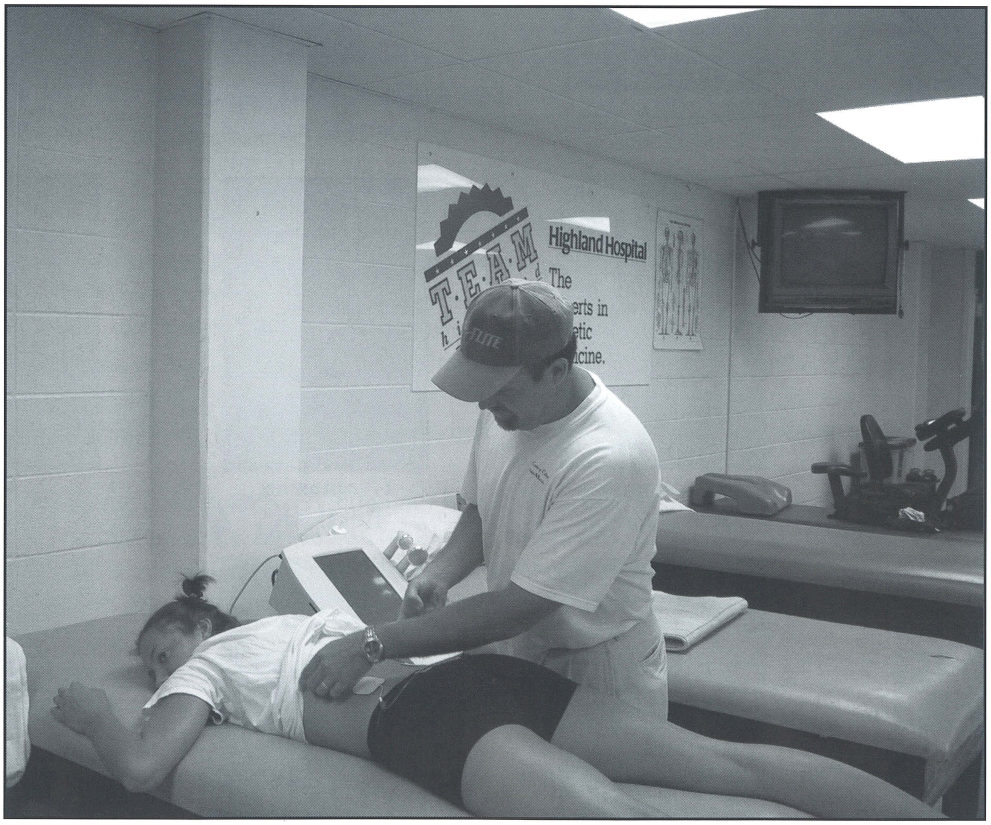
The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

Alan Edwards begins his eighth year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Highland Hospital.

Edwards also supervises student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.



Head Athletic Trainer Alan Edwards works on the back of volleyball player Catey Batte before a recent practice. Edwards works with Centenary's athletes before, during, and after all Centenary practices and athletic events. The stimulus machine being used is one of the recent additions to the training room.

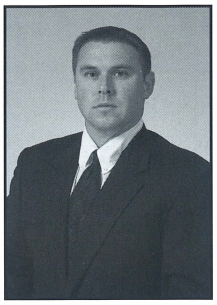
GLENN EVANS
Assistant Coach

Coach Glenn Evans, the pioneer of Centenary's soccer program, stepped down six years ago as head coach of the Gents and Ladies soccer programs. He then focused his attention on serving as the assistant to coach Jed Jones for the Ladies soccer team. Evans left large shoes to fill for Jones. He posted a 161-105-3 (.604) record in 14 seasons as the head coach of the Gents soccer program and a 66-25-3 (.725) record in five seasons as the Ladies head coach.

Evans guided the Gents program from its inception through 1978, before returning at the start of the 1983 campaign. During his tenure, the Gents posted nine consecutive winning seasons (1983-91), including three straight Trans America Athletic Conference Championships. For his and the team's efforts, he was named TAAC Coach of the Year in 1983, 1988, 1989, and 1990 as well as receiving that honor for his direction of the Ladies program in 1994.

The Herkimer, New York native earned a B.S. in health & physical education from Centenary in 1969. He received a master's degree in education from the University of Georgia in 1970. Evans is the Superintendent of Athletics for Shreveport Parks and Recreation. He and his wife, Karen, have four sons: Chad, Scott, Trey and Brian.



DAVID ORR
Assistant Coach

David Orr enters his fourth year as the assistant coach for the Gents. A 1996 graduate of Centenary College, Orr played four years for the Gents while earning a Bachelor of Science degree in health & exercise science.

Upon graduation, Orr played professionally with the Shreveport-Bossier Lions of the USISL before taking over as the head coach of the Captain Shreve High School men's soccer program in 1995.

Orr left Captain Shreve in 1998 after leading the Gators to two playoff appearances in three years to coach the goalkeepers of the Dallas Texans. He returned to Centenary in 1999 as the assistant coach for the Gents and the goalkeepers coach for both the men's and women's teams.

This season, Orr is the recruiting coordinator for the Gents in addition to his role as goalkeepers coach for both teams. He will also serve as the strength and conditioning coach for several of Centenary's athletic teams, including the soccer program.

Orr is a native of Dallas, TX, where he attended L.V. Berkner High School. He is the son of Don and Nancy Orr and has a brother, Brian, a sister-in-law, Mandy, and a nephew, Derek.

CENTENARY LADIES 2002 PREVIEW

The Centenary Ladies will definitely have youth on their side in 2002. The Ladies return 17 players this season, but only one senior. The success of the team will rely heavily on 11 sophomores to show that they have matured with the experience gained from last year's 9-5-3 effort.

One thing the Ladies did learn from last season is how to play great defense. Centenary, led by keeper **Heather Lindsey** (Plano, TX), recorded nine shutouts while allowing only 11 goals all year. The team goals against average of 0.62 was good enough to rank Centenary and Lindsey tenth in the NCAA. Their average of 0.53 shutouts per game also placed them fourteenth in the nation.

This season the Ladies will look to find a balance between their offensive and defensive production. In 2001, the Ladies averaged just over one goal per game, a stat the coaching staff would like to see the team improve upon this year.

Junior **Angela Tryba** (Houston, TX) looks to lead the offense again in 2002 after finishing as the top scorer with eight goals last season. Tryba was rewarded for her efforts in 2001 by being named honorable mention All-Louisiana.

"We are counting on Angela to have another solid offensive year this season," said head coach **Jed Jones**.

Senior keeper Heather Lindsey looks to lead the Centenary defense again in 2002. Lindsey was named first team All-Louisiana after recording nine shutouts in 2001.

Sophomore **Ashley Bouillion** (Plano, TX) enjoyed a successful freshman campaign in 2001, notching five goals and three assists to finish second on the team in scoring. She looks to add punch to the Ladies offense this year with a full season of experience to build upon.

Other forwards that are expected to contribute heavily include junior **Ledah Smith** (Aledo, TX) and sophomore **Janna Oswald** (Houston, TX). The two players combined for four goals last season.

Five players will battle for playing time at the midfield positions for the Ladies in 2002. Sophomore **Kylie Garrett** (Spring, TX) returns as the leading scorer of the group after tallying three goals and two assists last season. Sophomore **Melinda Levinski** (Allen, TX) also scored three goals while seeing time in 16 matches.

Lyndsay Bigler (Baytown, TX) has the potential to be a dangerous threat for Centenary this season. The junior finished the 2000 season with nine goals but her production cooled to just one goal last year.

Sophomores **Rita Coolidge** (Austin, TX) and **Ashley Grannan** (Fort Worth, TX) will provide added depth at the midfield position. Each player competed in all 17 matches last season.

"We are fortunate to have a group of very talented midfielders this season," said Jones. "I expect all of them to make major contributions to this team."

Although the defense will be the strong suit for the Centenary team in 2002, there is still a major area of concern that will need to be addressed.

"The loss of senior Stacey Klingler to graduation will really be felt. We will have to rely on some young players to step up and fill the void," said Jones.

Klingler was the heart of the Centenary defense over the last four years, playing in 59 matches for her career.

Juniors **Lacey Stewart** (Highland Village, TX) and **Melissa Tharp** (Angleton, TX) will look to answer the call for the Ladies. Tharp has played in all 36 matches over the past two seasons while Stewart has provided added offense, totaling five goals and six assists over the same period.

Sophomores **Lori Levitt** (Grapevine, TX), **Ashlee Mantooth** (Alexander, AR), **Sara Thompson** (Grapevine, TX), and **Jamila Smith** (Mesquite, TX) will all see major playing time as well. Levitt netted five goals in 17 matches last season and Thompson added three assists in 16 matches.

The Ladies add only one new player this season in freshman **Marrielle Phillips** (Lafayette, LA). Phillips will be counted on to fulfill the role of utility player this season. She must be ready to play any position at any time.

Senior goalkeeper Heather Lindsey will anchor the defense for the Ladies.

"If there was ever a backbone of our team, she is it," said Jones. "She is the single thing that keeps us together."

Redshirt freshman **Lindsey Stafford** (Tyler, TX) will serve as the second keeper. Stafford has gained valuable experience by observing Heather Lindsey over the past year.

CENTENARY GENTS 2002 PREVIEW

The 2002 Gents are coming off of a successful 2001 campaign after notching their first winning season since 1996. Last year Centenary finished with a mark of 9-8, a 4.5 game improvement over the previous season. The turnaround was the ninth best in the entire NCAA last year.

"We had a building block year in 2001. It should really help establish a winning attitude that we haven't had here in some time," said assistant coach David Orr. "We are such a young team. We can only get better."

Last year's squad showed a tighter defense but it was the offense that led the winning charge. The Gents totaled only 26 goals and 20 assists in 2000 before retooling in 2001 to net 42 goals on 47 assists. The offensive surge last year was good enough to rank the Gents as the 13th best scoring offense in the nation with a goals per game average of 2.47.

"We have one of the best offensive teams in the country," said Orr. "Our stats showed that last season and we are going to continue to score goals this season."

Offensively, the Gents should be in good shape in 2002 as they have the luxury of returning seven of their top eight leading scorers from 2001.

Senior **Nathan McAbee** (Paso Robles, CA) will be counted upon to front the offensive push. The forward scored three goals last season and possesses tremendous ability.

"Nathan will be our target player on offense. He has improved with hard work during the offseason and we are expecting him to be our go-to guy up top," said Orr.

Garret Pickard (Cedar Hill, TX) will man the other forward position for the Gents. Pickard led the team in scoring last season with 12 goals and four assists.

"Garret is our silent assasin," said Orr. "He is a creative player who will find ways to get the ball in the net. Teams should concentrate on him, allowing other players to step up for us."

Freshman **Joseph Meyer** (Ft. Meyers, FL) should contribute immediately at the forward position as well.

"Joseph has great potential. Hopefully he will develop into our target player for the future," added Orr.

Senior **Josh Chambers** (Highland Village, TX) and junior **Felipe Pereira** (Ipatinga, MG, Brazil) will lead this year's crop of midfielders. Chambers and Pereira both netted four goals last season.

"Josh and Felipe have both come into the preseason in great physical shape," said Orr. "Josh is a rock in the center of the field and Felipe is a creator."

On the outsides, sophomores **Greg Clarke** (London, ON) and **Jeffrey** and **Michael Krulin** (Little Rock, AR) will see a lot of time.

Centenary seniors (l to r) Josh Chambers, Charles Ivory, and Nathan McAbee.

"We have a wealth of athleticism and speed on the outside in Greg, Jeffrey, and Michael. We could also call on freshmen **Jeff Herlan** (Carrollton, TX) and **Paul Contreras** (San Antonio, TX) to contribute early," said Orr.

On defense, the loss of **Justin Clark** (Dallas, TX) could play a major factor this season. Clark will miss the 2002 campaign after injurying himself in preseason practice.

The rest of the defense will pick up the slack led by **Aaron Elrod** (Little Rock, AR) and **Jason Williams** (Pflugerville, TX).

"Aaron and Jason are unquestionably the leaders of our defense," said Orr. "We also have two returning players who will be called upon for their leadership in **Charles Ivory** (Ft. Worth, TX) and **Joseph Sidaros** (Katy, TX)."

Freshmen **Steven Beathard** (Dallas, TX) and **Ryan Nicholson** (Longview, TX) are both highly recruited defensive players who should contribute immediately.

Sophomore keeper **Stefan Nicola** (Kehl, Germany) returns after posting two shutouts in goal for the Gents in 2001. Nicola along with Venezuelan National Team member **Alejandro Heiber** (Caracas, Venezuela) and freshman **Matt Handy** (Sugar Land, TX), form Centenary's last line of defense in 2002.

"Our keeper position is very solid heading into this season," said Orr.
